Want to contact a member in your club? Use the ClubRunner App.

How many times have you been in this situation? You’re out and need to contact a member in your club urgently but don’t have their phone number.

Here’s the solution, just add the ClubRunner app to your smart phone (App Store-iTunes) or android (Google Play) and you instantly have access to all the members in your club.

But our club doesn’t have ClubRunner you say! Yes, you do every member in the District has access as the District website was built using the ClubRunner program.

Phone or email direct from the app just click on the arrow next to the members’ name to view the phone or email address you require.

If you wish add to your contact list or keep separately on the app. No more wasted time trying to find your club members contact details. Great!
