

### D9640 Approved Rotary Foundation District Grants 2017-18

As a result of strong support for the Annual Fund in 2014-15, we were able to apply for a district block grant of US\$35,306. Although the Rotary International \$A-\$US exchange rate dropped in August, we were able to approve most club applications in full. In total, District grants of \$44,485 will support \$44,805 in club contributions for projects to the value of \$120,160. The balance is provided by outside club support.

Rotary Club	Project	Project Value A\$	Club Contribution A\$	District Grant A\$
